[†]Minimum investment amounts can be met by combining investments of immediate family members (parents, spouse or children) of at least \$10,000 per family member for Class A and F, \$50,000 for Select Class and \$100,000 for Elite Class.

¹MERs annualized for the period ending August 31, 2011 (as disclosed in each portfolio's interim management report of fund performance). Renaissance Investments may have waived fees or absorbed expenses otherwise payable by a portfolio. At the discretion of Renaissance Investments, this practice may continue indefinitely and can be terminated at any time.

Select and Elite Class: There will be no automatic transfer into the Select Class (including Select-T4 Class, Select-T6 Class, or Select-T8 Class) or Elite Class (including Elite-T4 Class, Elite-T6 Class, or Elite-T8 Class) from other Axiom classes when the minimum investment of the Select classes or Elite classes has been reached. Conversions and switches into the Select classes or Elite classes will be subject to the minimum investment requirements governing each class. As a result, an investor must hold a minimum investment of \$250,000 to convert or switch into the Select classes, and \$500,000 to convert or switch into the Elite classes. Note: See the simplified prospectus for the tax treatment of conversions and switches. The information presented is accurate at the time of first printing, and is subject to change without notice. Management fees for Class A and Class F units are outlined in the Simplified Prospectus of the Portfolios. Management fees for the units of the Select classes and Elite classes will vary, but will not exceed the difference between the capped MER for that Class and the Portfolio's operating expenses. No management fees are payable by the Portfolio that would duplicate a fee payable by the Underlying Pool(s) for the same service.
