## Find your balance

Managing your investments can be a balancing act. On one hand, you need to grow and protect your wealth for the future. On the other hand, you need the financial flexibility to live life to the fullest today.

At Renaissance Investments, we believe you can achieve both. Our comprehensive portfolio solutions and full range of mutual funds are designed to provide a balance of growth, income and capital protection that helps you live better today... and tomorrow.

## Design your portfolio

The performance of your investment portfolio will be strongly influenced by the way it's diversified among various asset classes, geographic regions and investment management styles. Your investment advisor can recommend a Renaissance Investments solution that's diversified according to your personal growth objectives, income requirements and risk tolerance.

- Renaissance Investments' portfolio solutions give you exposure to a wide range of investment opportunities and the guidance of global investment managers with a single investment decision. Renaissance Investments is a leader in portfolio solutions<sup>1</sup>, offering a range of choices to suit every investor.
- Renaissance Investments' comprehensive line-up of mutual funds can provide you exposure to equity and fixed-income securities from markets around the world. These funds are ideal to build a portfolio or to add greater diversification and performance potential to your existing portfolio.

## Invest with confidence

When you invest with Renaissance Investments, you're in good hands. We search the world for leading investment managers and put them to work on your behalf.

We begin with a universe of thousands of potential investment managers, and then apply in-depth quantitative and qualitative filters to identify those with a proven ability to successfully manage the mandates within our investment solutions. Our exacting approach to due diligence helps us optimize performance and manage risk for our clients.

Once selected for Renaissance Investments, managers undergo continuous monitoring and assessment. In order to remain part of our clients' portfolios, they must demonstrate consistency with their investment disciplines and the rigorous standards of our products.

## Strength behind you

Renaissance Investments is offered by CIBC Asset Management Inc., one of Canada's leading mutual fund providers<sup>2</sup> and a purchaser of third-party investment management expertise. CIBC Asset Management Inc. is a wholly owned subsidiary of CIBC, one of North America's largest financial institutions.
