

Renaissance Optimal Global Equity Currency Neutral Portfolio

The fund invests directly in units of the same underlying funds as Renaissance Optimal Global Equity Portfolio and attempts to reduce its currency exposure to non-Canadian dollar currencies by implementing a currency hedging strategy. You can find the prospectus and additional information about the underlying funds by visiting sedar.com.

The summary of investment portfolio may change due to ongoing portfolio transactions of the investment fund. The Top Positions table shows a fund's 25 largest positions. For funds with fewer than 25 positions in total, all positions are shown.
