

# Important: Annual Reminder for Investors

CB 817811

Understanding your mutual fund investments is an important part of making informed decisions. We prepare several documents to keep you informed.

## Management Reports of Fund Performance and Financial Statements

As a unitholder, you are entitled to receive Management Reports of Fund Performance (MRFPs) and Financial Statements for the funds you hold. MRFPs and Financial Statements are prepared twice a year for each fund, for the periods ending June 30 and December 31. The MRFP includes commentary on the fund's performance and any recent developments, along with financial highlights and performance information. The Financial Statements provide a summary of the fund's financial position as at a certain date, risk management information, and a complete list of investments held in the fund's portfolio.

You can opt to receive printed copies of the MRFPs and/or Financial Statements for the funds you hold at no cost. If you had previously provided us with delivery instructions for your MRFPs and Financial Statements, your instructions will remain on file as long as you hold units of the fund or until we receive new instructions from you. To change your instructions call us toll-free at 1-800-465-3863, or ask your advisor.

## Fund Facts

You are also entitled to receive the most recently filed Fund Facts document for the funds you hold. The Fund Facts document is prepared for each class of a fund at least annually, and contains important information such as investment holdings, risk rating, performance and costs.

If you have a CIBC Mutual Funds Regular Investment Plan, you will receive the Fund Facts of the applicable funds when you establish the plan. However, you will not receive the Fund Facts when you subsequently purchase units of the funds under the CIBC Mutual Funds Regular Investment Plan, unless you requested the Fund Facts at the time you initially invest in the plan or subsequently requested the Fund Facts by calling 1-800-465-3863. If you had previously requested to receive the Simplified Prospectus, you will now receive the Fund Facts instead of the Simplified Prospectus.

Securities legislation in some provinces and territories gives you the right to withdraw from an agreement to buy mutual funds within two business days of receiving the Fund Facts, or to cancel your purchase within 48 hours of receiving confirmation of your order. For the CIBC Mutual Funds Regular Investment Plan, if you have not requested to receive the subsequent Fund Facts, you will have the right to withdraw from an agreement to purchase units of a fund only in respect of your first purchase. You will also still have a right of action for rescission or damages for your initial or subsequent purchases under the CIBC Mutual Funds Regular Investment Plan in the event of a misrepresentation in the Fund Facts or documents incorporated by reference into the Simplified Prospectus, even if you do not request copies of the Fund Facts. In addition, you continue to have the right to terminate your CIBC Mutual Funds Regular Investment Plan at any time by providing instructions to the Principal Distributor at least five business days prior to the investment date for which you want the cancellation to take effect.

## Go Online to Access MRFPs, Financial Statements and Fund Facts

You can view and download the most current MRFPs, Financial Statements and Fund Facts at [cibc.com/mutualfunds](http://cibc.com/mutualfunds) under 'Reporting & Governance'. These documents are also available on the SEDAR website at [sedar.com](http://sedar.com). To receive a printed copy of these documents at no cost, call us toll-free at 1-800-465-3863 or ask your advisor.

## Redemption Procedures

We are required to inform you annually of the proper procedures required for us to execute a redemption request. You can sell some or all of your units at any time. If your order is received at our office by 4 p.m. ET, you will receive that day's net asset value per unit. If we receive your order after 4 p.m. ET, you will receive the net asset value per unit calculated on the next business day. We will transfer or mail the redemption proceeds to you or your dealer within two business days of receiving a complete redemption request. For more information on redemption procedures, please refer to the CIBC Mutual Funds and CIBC Family of Portfolios Simplified Prospectus under *Purchases, Conversions, Switches, and Redemptions*.

**Thank you for investing with CIBC.**
