- c) before the end of the year in which the Annuitant reaches age 71 (or other such age as the Tax Act may prescribe from time to time), to purchase an Annuity; or
- d) if an amount is required to be withdrawn in order to reduce the amount of tax which is otherwise payable by the Annuitant under Part X.1 of the Tax Act, in which case the amount which is withdrawn (less any amount required to be withheld under the Tax Act) must be deposited into a sub-account of this LIRA to be established by CIBC Asset Management Inc., and which sub-account, while remaining subject to all terms of this Contract and to the Pension Act and Regulations, is not held within a registered retirement savings plan within the meaning of the Tax Act.

Any withdrawal in accordance with this paragraph may be in whole or in part (except that, if the Annuitant wishes to purchase a deferred life annuity, a partial withdrawal is not permitted), and is subject to the restrictions, if any, imposed by the investment options in which the Locked-In Funds are held.
