

# CIBC Sustainable Conservative Balanced Solution

## Investment Objective

The Fund aims to achieve a combination of income and some long-term capital growth by investing primarily in Canadian, U.S. and international equities and fixed income securities, either directly or indirectly through investment in other mutual funds and exchange-traded funds and to follow a socially responsible approach to investing.

## Volatility Analysis

Volatility (low-high): The lower the volatility ranking, the lower the risk of the fund. Funds with a volatility ranking of high are the most risky.

This information is provided for informational purposes only and is not intended to provide specific financial, investment, tax, legal, or accounting advice for you, and should not be relied upon in that regard or be considered predictive of any future market performance. Any information or discussion about the current characteristics of this fund or how the portfolio manager is managing the fund that is supplementary to information in the prospectus is not a discussion about material investment objectives or strategies, but solely a discussion of the current characteristics or manner of fulfilling the investment objectives and strategies, and is subject to change without notice. You should not act or rely on the information without seeking the advice of a professional.

CIBC Sustainable Investment Strategies are distributed by CIBC Securities Inc. and CIBC Investor Services Inc., each wholly-owned subsidiaries of Canadian Imperial Bank of Commerce (CIBC). CIBC Sustainable Investment Strategies are offered by CIBC. Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated. Please read the prospectus before investing. To obtain a copy, call CIBC Securities Inc. at 1-800-465-FUND (3863). Alternatively, you may obtain a copy from your advisor.

<sup>†</sup>The Portfolio Yield is a theoretical yield based on the weighted average yield of the underlying Imperial Pools held in any particular portfolio. Portfolio yields are not guaranteed and may vary as a result of the performance of the underlying securities held in the portfolio, prevailing interest rates and currency fluctuations. A portfolio's yield should not be confused with its return.

<sup>\*\*</sup>Target yields are annual targets and are not guaranteed, and may be changed at our discretion without notice. Target yields may consist of income, dividends, capital gains, and return of capital.

<sup>†</sup>Totals may not add up to 100% due to rounding.
