

## **CIBC Asset Management**

### **CIBC Sustainable Investment Strategies**

[Soft music plays]

[David Scandiffio, President & CEO, CIBC Asset Management

**David Scandiffio:** As the investment landscape grows with new opportunities...

[Two people point to the ceiling in a stylish office building.]

...investors are increasingly looking to participate in companies that thoughtfully deliver sustainable growth...

[Time-lapse shot of a large greenhouse. A gardener sprays a row of plants. Two engineers look at model wind turbines. A field of wind turbines at dusk.]

...and espouse values that align with their personal beliefs.

Sustainability is at heart of CIBC's purpose...

[A man rides on a Segway. A woman and her daughter take a selfie by a waterfall.]

...and plays an integral role in the actions we take to help our clients make their ambitions a reality.

[Environment, social, governance.]

[A couple stand at the edge of a cliff and look out into the distance. An aerial shot of solar panels on the roof of an apartment building. A meeting in a board room.]

That is why environmental, social, and governance factors are fully incorporated into the investment research conducted by all CIBC Asset Management analysts, across all asset classes.

[Our responsible investing framework]

[Traditional Financial Analysis]

[A bar graph icon.]

[ESG Analysis & Screening]

[A cyclical arrow and a leaf in the center icon.]

[Holistic Portfolio Construction]

[A pie chart on whiteboard icon.]

[Shareholder Engagement]

[A shaking hands icon.]

We believe integrating both financial and ESG risk analysis produces a deeper understanding of our investments and increases the potential to enhance the long-term sustainable performance of our solutions.

[A man looks at the camera in an office hallway. A man smiles at the camera in an office. A woman looks at the camera. A woman walks down an office hallway talking on a cell phone. A woman rides a bike beside a lake. Three people walk through a tomato garden in a green house and smile at the camera. An aerial view of a biofuel plant.]

As a stakeholder focused asset manager, we believe investors should have the opportunity to grow their wealth responsibly, in a way that aligns with their personal values and provides meaningful impact to society.

[3 Mutual Funds]

[3 farmers look at their field at dusk.]

[CIBC Sustainable Canadian Core Bond Fund

CIBC Sustainable Canadian Equity Fund

CIBC Sustainable Global Equity Fund]

[Aerial view of a river between mountains in B.C.]

As such we have created the CIBC Sustainable Investment Strategies fund suite.

[3 Portfolio Solutions]

[Low angle of an office tower]

[CIBC Sustainable Conservative Balanced Portfolio

CIBC Sustainable Balanced Growth Portfolio

CIBC Sustainable Balanced Portfolio]

[Aerial view of a wind turbine in a field.]

[Aaron White, Vice-President, Sustainable Investments, CIBC Asset Management]

**Aaron White:** CIBC's Sustainable Investment Strategies are best in class solutions that provide exposure to companies that are environmental, social, and governance leaders in their respective industries...

[A field of solar panels. The sun shines through the glass of a crowded walking bridge. Aerial view of a wind turbines in a field. A man points at a crowded white board.]

...and reflect responsible investment principles that are important to investors.

[Values-based approach

Offers clients socially responsible investing solutions]

[An icon animation of a hand holding a globe.]

The values-based approach to investing that underpins CIBC's Sustainable Investment Strategies reflects our commitment to the principles of responsible investing.

[A series of images of investment analysts looking over market data on multiple monitors.]

Utilizing our propriety ESG framework and fundamental analysis to evaluate all investment opportunities...

[An investor looks at market data on his laptop. An electric car charges in a parking lot. An engineer monitors a wind turbine. An aerial view of a wind turbine in the ocean. An aerial view of solar panels on a building.]

...investors can be assured that their dollars are directed towards investments that: align with their values, offer attractive financial returns and positively impact the world.

[Hyper-lapse image of a CIBC office tower. Tracking shot of a mansion on a river.]

CIBC Asset Management is committed to taking an active and intentional pathway to managing the wealth of our clients, in a manner that is sustainable and beneficial to all stakeholders in society.
